

Long-Range Tourism Plan

Steps to Stakeholder identification:

Status	Task
completed 01/30/06	Steering Committee identifies and recruits Convening Group that represents broad spectrum of community.
completed 02/06/06	Convening Group identifies the experiences and perspectives necessary to achieve mission.
in process	Perspectives and Experiences put on a grid with Conveners listed as first group of Stakeholders. The Steering Committee will review the grid and identify what experiences and perspectives these new Stakeholders bring to the group.
	Grid now sent back to Convener/Stakeholders for review. Looking at the grid, they will identify where experiences and perspectives are needed, think of individuals that fit those areas, and recruit them into the Stakeholder group. When accomplished, updated grid sent to facilitators.
target date 02/13/06	Compiled grid reviewed by Steering Committee. Final recommendations for Stakeholder group made.
	Grid reviewed by Convener/Stakeholder group, finalized.
target date 02/13/06	Stakeholders prepared for Community Kick-off event, February 24 and 25.
